## *Gaetana Grobluski*

*Gae was born and raised in Brooklyn. After getting married, she moved to Brentwood in 1960. She had two children and two grandchildren.*

*She graduated from Suffolk Community with a degree in Secretarial Science and continued her studies at Dowling College. She also took courses in Photography at N.Y.I.T., Kodak, Nikon and the Islip Town Cultural Center.*

*Gae retired from Brentwood School District after 36 years of service. She held the position of Transportation Supervisor for 17 years.*

*As a world traveler, she took many outstanding photographs, which were displayed this past winter at the Sachem Public Library.*

*Speaking engagements included a presentation to the NYS School Bus Contractor's Association and speeches to many local community groups about bus transportation and safety. She also was a speaker before the Federal Drug Administration in Washington,*

*D.C. to encourage passage of a trial drug for cancer, which she took in a trial drug study.*

*Besides travel, her main interest was spending time with her family and friends. She also enjoyed her bowling league, Theater trips and line dancing.*
