

I remember Brentwood when...Do you?

...when there were dirt roads

...when there was no high school

...when there were gas pumps outside Koehler's Store

...when you picked up your mail at the Post Office

...when the train station was on 1st Avenue

... the soda fountain at Doc Crouch's Drug Store

Come reminisce with people who love
to talk about Brentwood

Come and see some examples of Brentwood
memories and memorabilia.
